MEETINGS

Please come along and see how the Parish Council conducts its business.

Parish council meetings are held on the *third Tuesday of each month*, starting at 7.30pm, at the Oldbrook Centre, Oldbrook Boulevard (opposite oldbrook green).

Visitors are welcome

THE NEXT MEETING

DATES ARE:

**15 October 19 November
17 December**

Landscape Service Update

Consultation Report

We will be updating you quarterly on the work required to deliver the landscape service throughout the Parish. There is a great deal of preparation required for the Parish Council to be ready for April 2020 when we take on the landscaping from Milton Keynes Council and take in-house the delivery of the current landscaping contract, which up till now has been carried out by an outside contractor.

As of the 1st November 2019 we will be delivering the landscape service at Oldbrook Green, Fishermead and Woolstone Sports Grounds, our allotment sites and the pond at Woolstone.

In readiness for the task ahead we have recruited a Landscape Supervisor and one Operative who will be starting work this month.

The winter months, with their short days, give restricted opportunity for some work, however, during this time

we will be mapping out the landscaping in the Parish, familiarising ourselves with the variety of planting, drawing up maintenance schedules, short, medium and long term and receiving training on Health & Safety issues, and the machinery necessary for the delivery of the service.

The Depot on Oldbrook Green has been identified as the base for the delivery of the service. The current building does not provide adequate security, parking, storage or amenities required. The site will need to provide facilities for the staff using the depot (toilet, shower, mess room), storage for smaller tools and equipment, an area to undertake maintenance of equipment, a diesel storage tank with power, area to store materials and chemicals, yard area to park vehicles, wash down area with separation tank to clean down machinery, all in a safe and secure site.

A planning application to expand the depot to provide an additional secure equipment store and yard space has been submitted to Milton Keynes Council.

Willen Conservation Area Review

Milton Keynes Council is currently in the process of reviewing all 27 of its designated conservation areas, including the one in Willen.

Conservation areas are designated to promote better design for proposed new buildings, place limits on advertising, discourage alterations that would harm local character, limit works that can be carried out without planning permission (permitted development) and provide controls over loss or harm to trees and the demolition of unlisted buildings.

For the management of conservation areas to be effective the council should have up to date information about a designated location and what makes it special. This helps to manage changes to those locations whilst avoiding or minimising harm. Conservation area reviews are the means by which the success of change management through planning controls are assessed and any necessary adjustments to boundaries or changes of emphasis to management policies are made.

Milton Keynes Council has commenced the process of writing a draft review document for Willen which will contain a history of the buildings and places included in the conservation area, a character statement and a management plan. **A consultation period will commence on the 21st of October for a 6 week period so that local residents have an opportunity to contribute to a better understanding of the conservation area.** The details of how to contribute will be provided at the time of the consultation.

The existing conservation area was first designated in 1977. The existing boundary may be viewed at <https://www.milton-keynes.gov.uk/planning-and-building/conservation-and-archaeology/conservation-areas-in-milton-keynes>.

Further information about conservation areas may be found at: <https://historicengland.org.uk/listing/what-is-designation/local/conservation-areas/>

Details about the conservation area review consultation will be available for six weeks starting on 21.10.19 at <https://www.milton-keynes.gov.uk/search?q=consultation+finder>

Advice Worker

Campbell Park Parish Council

WE ARE HERE TO HELP

Residents of the Parish should not face struggles alone when it not a fault of their own, but they can seek advice in the Parish. Residents could become more vulnerable in terms of financial strains/burdens.

Information obtained from local citizens is not going to be mis-handled or divulged to anyone who has no need to see/know without consent.

I have worked in the community of different Parishes. I am aware of the needs of people in the Parishes. My aim is to focus on local residents of the Parish to advise them with concerned

matters and to alleviate their lives.

Respectful:

My approach is non-judgemental with a good listening ear. I will ensure that I will work with you to achieve what you need. I will also learn things from you, and so you will from me, and together we can work as a team within the Parish.

So if you need advice for the above matters, do pop into the Parish Office where I will able to arrange a suitable day and time to see you.

Priscilla Hogan

Campbell Park Parish Council has employed an Advice Worker for the Parish to help advise residents. I have therefore taken up this role. **My name is Priscilla Hogan.**

Fundamental Issues

There is a common syndrome which affect many people to become homeless due to not having money mainly because they don't have a job. Then families concerned lives can change drastically. For example, Benefit, Council Tax, Arrears Housing, Utility Bills, Money Management, Family or Domestic difficulties and many more. All these issues can lead to homelessness.

These matters changes ways of how one would have had been living prior to the situation they find themselves in, especially when vital services are hidden and residents are NOT being aware of where to go or to ask next! Many residents are not aware of where to find services and or how to contact those relevant services to acquire assistants. I would then advise residents and or signposting to appropriate services they so need.

Campbell Park Advice Service

Campbell Park Parish Council.
1 Pencarrow Place, Fishermead,
Milton Keynes. MK6 2AS

Are you struggling with money?
Do you need a listening ear?
Pop along and speak to our advisors in confidence.

Some of the issues we can assist with are:

- Housing advice
- Benefits (Advice or form filling)
- Rent or Council tax arrears
- Family or domestic difficulties
- Any other concerns you would like to discuss

To find out more, please pop into the office, or contact us on the details below – service operates Wednesday and Thursday.

Telephone: 01908 608559

Email: cpas@campbell-park.gov.uk

Play Area Improvements

We are very pleased with the new look play area in Springfield, located between Turnmill Avenue and Springfield Boulevard. We have provided new swings, see-saw, roundabout and a new colourful multi play unit.

We are also really happy to have a new multi play unit at the Robert Hooke Play Area in Willen, as well as having improvements to the shelter completed. There are some new science related play items, in keeping with the Robert Hooke connections also at this play area. Pupils at Willen School chose which item items would be installed here – so look out for these.

Both projects were jointly funded by Milton Keynes Council and Campbell Park Parish Council and now offers a wide range of play equipment for local children to enjoy.

Summer Holiday Arts & Craft Sessions

Campbell Park Parish Council

In an effort to try and offer more **FREE** activities for local children in the summer holidays, which we know is an expensive time for families, our Community & Social Wellbeing Committee decided to run 3 sessions during the summer holiday where children could come along and enjoy some craft activities and have lunch (free of charge).

The first session was held at the Springfield Centre, which was a great success with over 50 people attending and we received some positive feedback.

Unfortunately, the following 2 sessions in Oldbrook and Fishermead were not as popular, in fact no-one came! This was disheartening, but we acknowledge that we need earlier planning and improvements to the advertising for events like these in the future.

We would **APPRECIATE** any **feedback** or **ideas** you have

Do you think these types of activities are a good idea ?

Did you know about these sessions?

Would you have come along if you did?

Email us at admin@campbell-park.gov.uk

Visitors to the Parish Office will notice that our Deputy Clerk, Elaine Webb, is now absent from the Office.

Elaine, who has been with the Parish Council for over 15 years is well known for her efficiency and commitment to excellence in her work.

Due to a move out the area, Elaine now works remotely for the Council on a part-time basis, her presence in the Office is greatly missed.

JOB OPPORTUNITIES

Community Centre Caretaker/ Cleaner Vacancies

Campbell Park Parish Council (CPPC) controls and manages community centres in Oldbrook (next to Oldbrook First School) and Springfield (next to the One Stop Shop).

Both are open seven days a week, providing facilities used by a variety of community, charity and faith groups.

The Parish Council is currently recruiting part time caretaker / cleaners for the centres, and would like to hear from local candidates interested in applying for the posts.

Ideally candidates will have experience in a similar post, as well as a flexible approach to duties, location and hours of work.

Good communication and customer service skills are essential. Successful candidates will be required to undertake a DBS check.

Potential candidates for the posts, should e-mail admin@campbell-park.gov.uk or call 01908 608559 to request an application pack.

_ CPPC is an equal opportunities employer

Budget / Precept

Campbell Park Parish Council

We would like to thank all our residents who responded to the consultation, 704 households in all, an 11.89% return rate, our highest yet.

The questionnaire was divided into 3 sections, Campbell Park Parish Council Service Provision, Landscaping and Precept.

In the first section you were asked to prioritise 3 out of 12 services, namely:

Community Centre improvements / ongoing improvement of Parish recreation & sports grounds / Parish Family picnics/fun days / Grants to local community groups & community facilities / Civil Contingency response and resources / Parish Community events / local traffic schemes/improvements / Play area improvements (in partnership with MKC) / Dog waste bins / litter bins/ Celebration/ Commemorative community events / Community legal representation on planning issues.

Your Priorities

Your top priority was Local Traffic Schemes/Improvements [27.54%], with Litter Bins topping your second and third priorities [21.66%] and [13.88%] respectively.

Consultation

Following our consultation with you in July 2018, we asked for your views on the landscape service provided by Milton

Keynes Council (MKC) and if you were in favour of the Parish Council taking over the service from MKC and if you were prepared to pay an additional Precept of £30 (Band D) to cover the associated costs in delivering the landscaping service.

The majority of those who responded to the consultation were in favour of the Parish Council taking on the service and were prepared to pay the increase in the precept.

Maintenance Strategy

As you will appreciate there is a great deal of work to be done before we take over the contract from MKC in April 2020, not least the recruitment of staff, purchasing equipment and developing the landscape depot at Oldbrook in readiness for April 2020 (see page 3 for an update on the delivery of the landscape service). With this in mind in Section 2 we asked for your views on the current landscaping in your area in order to develop an effective Parish wide maintenance strategy, and invited you to prioritise two areas of landscaping that you believed would make a positive impact on your area. Your first priority was Hedge cutting (62.48%) followed by Grass cutting as

your second priority (39.84%). These priorities were consistent on a ward by ward basis.

In Section 3, we asked for your views on the level of the precept. In our introductory letter to the consultation, we advised you that the Parish Council had made an "in principle" decision to increase the precept by 5% equating to an additional cost of £8.79 per annum on a Band D property. We were pleased that you acknowledged that providing services costs money and this was reflected in your response, with 61.60% of you in favour of increasing the precept up to 5% compared to 38.40% who were against a rise in the precept.

Your response to the consultation will be considered by our Committees and Council over the next 3 months and will assist us in setting our targets and budgets for 2020/2021.

The full report with a breakdown by wards will be available on our website at the end of October and once again we would like to thank you for taking the time to respond to the consultation.

The Parish Council is here to serve the needs of our residents and where possible to deliver the services you would like. We not only value your input but need it to serve you in the best way possible.

MILTON KEYNES Reader Service

Milton Keynes Reader Service is a local Charity offering free services to any adult living in the Milton Keynes area who finds reading and writing difficult due to physical or visual disability. Currently the Charity provides one to one support to over 100 Service Users across Milton Keynes.

These services include:

A face to face reading and writing service for people in their own homes. This can include help with correspondence and form filling, or reading just for pleasure.

A facilitation service which includes a "shop and see" service where a volunteer will take a service user either grocery or general shopping.

Help with one-off trips to the theatre, cinema, seminars, museums, art galleries or other educational or cultural activities.

Our trained volunteers are DBS checked and carefully matched with their service user to enable them to develop a successful and long-lasting relationship.

As a totally blind resident living

within the Campbell park parish boundary I use this service on a regular basis. It gives me choice and control that I otherwise might not experience.

Any potential volunteers or service users should contact Tracy, the Co-ordinator.

on **01908 231123**

or email **mkreaderservice@yahoo.co.uk**

Together we can create moments of joy for people living with dementia

Age UK Milton Keynes is a local, independent charity that encourages people to find out how they can make life with dementia a little easier, and how they can support loved ones living with the condition. One in six people over 80 have dementia in the UK. Using figures from the Office for National Statistics (ONS) it is estimated that over 2,000 people in Milton Keynes are living with dementia.

Janet Doran, Chief Executive of Age UK Milton Keynes, says: *"We all know someone affected by dementia, although we might not realise it. By asking everyone to be more patient, be more understanding and don't be scared of older relatives who have been diagnosed, we can all do our bit to make our community more 'dementia friendly'."*

Older residents of Campbell Park Parish, living in Fishermead, Oldbrook, Springfield, Willen and Woolstone, will find that The Peartree Centre is a convenient and welcoming location where two clubs designed especially for people living with a diagnosis of dementia run every Monday and Friday afternoon.

The Peartree Memory Clubs give people the chance to enjoy social interaction in a friendly, supportive environment. Carers can have a break whilst the person experiencing memory-related problems enjoys chatting to others and taking part in group activities. **The Monday session runs 2.00 - 4.00pm** and includes light refreshments, and the **Friday session runs 1.30 - 4.30pm** and includes an afternoon tea. If you, or a family member, have a diagnosis of dementia you can find out more about the help and support that Age UK Milton Keynes provides by calling **01908 550700** or why not visit their website.

www.ageukmiltonkeynes.org.uk

Registered charity 1079773 Peartree Memory Café

Four Bridges Festival 2019

Campbell Park Parish Council

After the success of last year's Festival on Oldbrook Green, on 13th July we held the second Four Bridges Family Festival. The Festival, hosted jointly by Campbell Park Parish Council and Woughton Community Council, was held in Coffee Hall this year.

Councillors and staff from both Councils were on site bright and early to transform the Two Halls Park into a fabulous Festival venue.

We welcomed a wide variety of community fundraising and information stalls, helped this year by the provision of pre-erected market style stalls for their use.

The children were spoilt for choice with circus skills, bouncy castles, face painters, craft activities, entertainers, selection of inflatables, a variety of games as well as visits from a Fire Engine and Police van that the children could have a look around. All the activities were free of charge, making it a wonderful family afternoon that everyone enjoyed. We had live music and entertainment throughout the afternoon.

Even though this year we hosted the event outside of our Parish and across the boundary in Woughton Parish, we spoke to a number of Campbell Park Parish residents during the event, who did not live near enough to walk to the Festival this time, and had made use of Robbie the Train that was provided to transport visitors from the car parking at Woughton Leisure Centre to the Festival.

SSAFA, the Armed Forces charity, has been providing lifelong support to our Forces and their families since 1885. We support the person behind the uniform; any time they need us, in any way they need us, for as long as they need us. Every year, SSAFA helps more than 73,000 people from the Forces family get back on their feet; those currently serving, reserves, veterans and their families. No one's service is ever forgotten. We give hope, help and personal support for as long as it takes to get that person's life back to where they want it to be.

HOW WE HELP

At SSAFA Milton Keynes, we have a team of trained volunteer caseworkers who provide personalised, face-to-face support to those in need within the local area. Our volunteers work with each person to find out exactly what they need. Once we've assessed what is required, we'll help the individual or family access the required assistance. They may just need someone to listen. More often than not, we put them in touch with the support services they need to help them get their lives back on track. Whether it's financial, practical or emotional, we provide the right kind of support - ensuring independence and dignity are protected at all times.

For more information or advice please contact SSAFA Milton Keynes

Tel: 01908 217181

Email: miltonkeynes.division@ssafa.org.uk

Parish Picnics AND SUMMER EVENTS

Campbell Park Parish Council

During the school's summer holiday, Campbell Park Parish Council held a Picnic and Play event in Woolstone, Willen and Fishermead.

Each Picnic and Play event had lots on offer with a bouncy castle, craft activities, a reptile roadshow with lots of creatures to meet and our lovely face painter who always amazes us with her face painting creations. Of course, we also had our children's entertainer Mr Bubbles, who provided lots of fun for the children, particularly wonderful were the water balloons on the very hot sunny days! We also had lots of drinks, cakes, fruit and treats for everyone. Everyone could come along a join in as everything on offer was free of charge. The picnics were all very well attended and we received some lovely feedback and appreciation for the events.

Unfortunately, the Picnic at Fishermead was hindered by rain, but we still had fun with activities under the gazebos and made the most of the dry spells to get the reptiles out to meet us. We were also joined by Pebbles Children's Centre who kindly provided some soft play and toys for the babies and toddlers..

If you have any feedback about these Picnics, we would love to hear your views. Please email admin@campbell-park.gov.uk

KID'S CORNER

Hello Children,

Well it seems a long time since the summer holidays, I hope you all had lots of fun with the late sunny evenings and that you played in your play areas. Anyway, half term is not long now and you can go for Autumn walks, maybe with your family. You could collect some acorns, conkers or pinecones if you are lucky enough to find any. If you are lucky enough to find some golden leaves too, you could make up a nature box with the things you find. Or maybe your parents will let you put them on a window sill in your home. If you do, why not send Kid's Corner a photo for us to put into the next Homeground.

Now when it gets a bit colder can you help to feed the birds, and put out a bowl of water and some crusts of bread if you can, again this is a good photo if you manage to catch them in it!

Halloween is coming and we have a **TEA PARTY** at the Springfield Centre next to the shop on **SATURDAY 26TH OCTOBER 2PM-4PM**. It is Fancy Dress and everything is free. Come and say "Hello" if you see me.

Just send in a letter, poem or drawing to Kid's Corner. (address on page 2) If your entry goes into the next Homeground magazine you will win a prize, so get your felt pens out!

We also have Nature Watch. This is fun. Send a photo of something you have seen when you are out playing or walking with Mum and Dad. It could be a rainbow, a mushroom, a bird, it is endless. This could win you a prize too. So there are lots and lots of ways to get into our magazine.

Keep safe, look after younger children if you are out without a grown up.

Remember Stranger Danger

Until next time
Cllr Penny.

P.S: If you send anything into Kid's Corner we need to know your name, address, your age, and what school you go to, or we cannot send you your prize.

Hello from Mitch, John and Daniel

If you see them when you are out, say hello, they will be happy to talk to you.

MY PET CAT:

I have a pet cat that chases fat rats
One day I took that to the cave and then we saw a big bat
And then my cat started to chase a fat rat
Oh No! my cat and the bat fought each other
The cat won and the bat flew away
Finally, my cat got the rat

Yousuf, Age 6. Year 1.

I WENT TO CANDYLAND:

I went to Candyland
And I got a yummy band
It was blue
And it gave me a clue
When I entered the door
The gatekeeper said
"Which part of the body loves the bed?"
I replied "Head"
He sat on the floor and told me to go through the 2nd door
Then I saw a candy cane and a rainbow
It was yummy so I saved some for Mummy, and for my Dad
so he doesn't get sad
In the car I ate a chocolate bar
What a long day
I say!

THE BADGER BOYS ADVENTURES

Do you remember Dan Fox? He is staying with The Badger Boys on John's barge. He wakes up very early and takes a walk along the towpath. He starts to look around and thinks to himself, "This path needs some looking after", some naughty people have just left all their picnic rubbish in the bushes. Well quite a few people have been uncaring, so Mr Fox got on his Foxphone and rang Mrs Cilla Comfy Cat. Now Cilla has a tidy up business and she has 3 bunny cleaners that work for her. The Bunny cleaners are, JW, Jojo, and Eevee. They just love to do a good clean, so the towpath is right up their street.

Mr Fox told Cilla Comfy Cat, and Cilla got the Bunny cleaners on to it that very day.

Cilla picked up the Bunnies in her cat van with her mops, brooms and black bags, and they got to work straight away.

Mitch and John were very impressed with how fast the Bunnies could work, so John decided to give the Bunnies a party so they could meet all the other animals that live by the canal.

Now Cilla Comfy Cat looks just as she sounds, she has a big fluffy chestnut coat, very chubby cheeks and her whiskers are curled up until she sees a rat and then they unroll into long fine needles, her paws have claws that go...PING-PING-PONG-PING WOW!!! You would not want a scratch from them!!!

Next time I will tell you all about The Bunnies.

If you see them when you are out, say hello, they will be happy to talk to you. Until next time!

Grants

Campbell Park Parish Council have awarded the following grants:

Secklow Sounds were awarded £1000 towards their 'Reach MK' Project.

Frank Howe Court were awarded £1000 towards the cost of their Armchair Aerobics sessions. These sessions are open to the wider community and new participants would be very welcome. Please contact Frank Howe Court for more information.

Willows School & Early Years were awarded £800 towards their Film Club and Summer fun day projects (non-curriculum based)

We have received some wonderful feedback from the following grant recipients:

Make Lunch MK were awarded £1000 in April 2018 – following the grant award they were able to serve 1302 meals and open sessions at Jubilee Wood school during the school holiday.

They have now changed their model of getting food to the most hungry children and launched St Marks Meal early in 2019.
